

## A Simple Format to Create a Command

Column #1 write what you want to change, remove or improve.

Column #2 write what you want instead.

Column #3 write what will improve as a result of getting what you want.

What you want to change, remove or improve.	What you want instead.	What will improve as the result?

### Make your Commands

I don't know how \_\_\_\_\_. I only know that it is so now and I am fulfilled.
