Free Preview August 5th 10:00 am – 2:00 pm (Free - but Registration Required at www.asara.com)
Maitreya-Seattle Learning and Healing Center - 2260 152nd Ave NE, Redmond WA 98052

This new, and revolutionary seminar, teaches you to lower your brain waves to the theta state, consciously, and as a result, you engage in that wonderful capacity of your creative intelligence, that can, and does eliminate past money failures, and entrenches new wealthy ones. This unusual seminar takes you beyond the money programming that you live with every day, into a new future of rich living, instantly. You cannot escape your money rich future as you learn to lower your brain wave to theta and from this **place of a greater capacity within you Command your greater good and success.**

Discover how Aeron reduced his debt by 24,000 dollars just months after the course; has an additional 27,000 in account receivables, and his credit score went up 50 points; How Gayle, went for a business consultation, and walked away with an unexpected, 30,000.00 contract hours after the course; Rose had her book published and Kathryn, tripled her income the very next month. This course makes a difference!

IN THIS SEMINAR YOU LEARN:

- Six-steps to the theta state
- The Command that stops limitation, and creates your success
- To operate in theta and reach that greater capacity within you
- To reverse your negative flow into a positive flow
- Program your DNA for Success
- Remove the beliefs that keep you in strife, and struggle
- Learn to be rich and at peace with yourself and the world
- To realize your undiscovered innate abilities
- To make change easily living the life you desire and deserve
